This Land all matters have given me no cap than half an hour's trouble - I have had to arrange the Motion myself.

Appendix 6 said no Claims abolished by Order and other moving with Government officers other officers with their officials have to do with Land matters in the hands of Govt. to deal under the orders of Govt either verbal or written - the Agent Engineer Bungalow Dr Letters Maps &c &c with Land with us he has certain Mysore Land Surveyors to look after & he deals to do it with him a small ministerial Staff -

Therefore does not come strictly under Appendix 6

In the case of the Officers who do not reside with Govt last named the Dewan Dr. made a reference to the Dewan on 29/11/99. Before the Dewan on that reference the conditions had changed owing to the opening of the Railway to Mysore & Govt can a representative from the Chief Commissioner dropped all orders on 30/7/0 laying down the rates of allowance admissible for journeys from 7 to 20 Miles. 28/8/00 referred by the General Debt by the Diwan with certain observations. The Comptroller was thereupon consulted on 13/11/00 as to the desirability of amending Appendix 6. Some time elapsed, the Chief Secretary enquired whether the letter of 30/7/00 applied to all officials drawing duty allowances with Govt as required by Appendix 6, & reply to this was deferred pending the receipt from the Comptroller of a draft of the proposed which had been made on 13/11/00. When such has now been received & found that in this Order there has been some delay in the payment of the allowances by the Comptroller. The difficulty can be taken away by [illegible] duty with Govt, and on duty otherwise, [illegible] by the [illegible] adding to the rate a suitable [illegible] Persons not receiving a Govt house are also [illegible] The Comptroller's draft [illegible] the exception of Executive Officers drawing [illegible] duty under orders and (2) to small house rent to officers occupying a Govt house free of rent [illegible] Diwan, the draft [illegible] approved by me should be issued as quickly as possible.

Sir,

I am directed to request that you may will be so good as to favour the Durbar with information as to the practice prevailing in the British Govt. in regard to the enforcement or otherwise of the production of a medical certificate in the case of officers and officials who have attained the age of 55 years, either for further retention in or retirement from, Service.

I have &c

DO.

JB
1615. DO. 16/5/01. Secretary

favour the Durbar with information concerning the practice obtaining in the various depts of the Publics Service in British India in the following matter.

The Service Rules both here and in the British Service lay down that an officer may be retired after 55 if unfit for further service and raise the presumption of actual unfitness on attaining 60 years of age. Both the Rules are silent on the method by which such fitness or unfitness shall be ascertained.

It has been the practice

here in the P.W. Deptt only & subject all offrs after SS & Medical Exams, but in other departments, no uniform rule is observed, Med. examination being usually made if & the head of the deptt in which the offr is employed considers the man apparently unfit to be retained.

As the subject of introducing a uniform rule in the matter is under consideration, the procedure followed in Br. India would be a valuable guide; and I am asked to say that the Dewan would be greatly obliged if the rules followed are kindly made known at your early convenience.

Office Note

Letter dt 262/2428 dated 12th May 1901 from the Secretary to the Govt: of Singpore P.W.D.

Govt Pro: No: 9050-82 P&A 1105 dated 10 Feby/97 delegates to certain Heads of Departments and other officers the power of declaring any non-gazetted subordinates of their respective Depts: who have attained the age of 55 years, to be inefficient and of permitting them to remain in the service for a definite period not but not beyond the age of 60 years, the extension being by one year at a time.

Govt Pro: No 13118-156 P&A 1104 dated 17 May/99 dispenses with the necessity of a medical certificate in the case of an official superannuated under the 55 years rule, and states that if the Head of the Dept: concerned is satisfied that any such officer is inefficient and that his

his further retention in the service so undesirable, he has simply to report the cause of his unfitness for further service and obtain the orders of Govt. for his retirement.

The D. P. W. Authorities appear to have had the practice of subjecting a superannuated official to Medical Examination before ~~exercising~~ exercising the power vested in them by the above quoted Proceedings.

The Dewan is now inclined to rule invariably that in the exercise of the power delegated to Heads of Depts and other officers by Govt. Pro: No: 9050-82 P.W.A 1105 d/ 10th Feby/97 a superannuated official should be medically examined before he is declared fit or otherwise for further retention in Service; and

wishes

wishes to know the rules & practice in this respect obtaining in British India.

The British Service Regns is silent on this head It is therefore necessary to make a reference to the Resident for obtaining this information.

I see no reason why officers visiting Ooty on duty should get better allowances than those visiting the Govt - 6 Rs he is entitled to 6 Rs he allows so as to apply to both classes of officers - The General Dept will make this alteration after consultation with Controller

:o:

Appendix 6 of the Mysore Service Regulations fixes the "Rates of travelling allowance for officers moving with the Govt to and from Ootacamund"; but there is no rule in those Regulations prescribing the allowances to be passed to officers who may proceed to that station on other public duty. I asked the Comptroller of Mysore what allowances are passed by him in cases of the latter kind to officers in the Civil Dept, and he has replied that there have been no such cases hitherto.

2. As there are public buildings at Ootacamund, officers of this Dept have to go there occasionally on inspection duty; and it seems necessary that a rule should be framed fixing the allowances to be passed

for such journeys

III The Govt of India Civil Service Regulations which are also applicable to Madras allow Officers to draw additional 50 per cent on their daily and mileage allowances for journeys to Ootacamund. vide extract of Appendix 26 C enclosed for ready reference -

I wd recommend that this rule be extended to Mysore as it seems nothing but fair that its officers shd be on the same footing -

IV. If you approve of above, the Comptroller of Mysore might be asked to include this new rule in the revised edition of the Mysore Service Regulations now under preparation
